

# Switch Adapted Bubble Blower Fan

## MAKER CHECKLIST

### Maker To Do List

- Read through the Assembly Guide to become familiar with required components, tools, supplies and safety and overall assembly steps.
- Ask the user if they already own a 3.5mm switch – if they do not, let them know that they can request one from the MMC library.
- Order hardware components.
- Gather tools, supplies and safety equipment.
- Adapt the Bubble Blower Fan.
- Test the device.
- Print “User Quick Guide.”

### Items to Give User

- Adapted Bubble Blower Fan.
- “User Quick Guide.”
